Declare for Complete Overthrow of Existing Economical and Political Conditions.

Reaffirming the principles embodied in the national platform of 1908, declaring in favor of a complete overthrow of existing economic and political conditions, praying for an improvement in the living conditions of the working class, and promising numerous reforms, provided their ticket is successful at the coming election, the Socialists of Salt Lake met in the Federation of Labor headquarters yes

the Socialists of Salt Lake met in the Federation of Labor headquarters yesterday afternoon and nominated a complete state and county ticket.

The platform, as drafted by William Thurston Brown, for the committee on resolutions, was accepted without change. Among the most important planks are: The installation of industrial democracy, tax equalization, imprivement in health conditions, enforcement of the liquor, gambling and white slave laws; abolition of the contract system for county employes, strict adherence to civil service regulations, extension of public parks and playstounds, and the exclusive use of voting machines in all precincts. It was decided to force all Socialistic candidates to sign resignation blanks, which may be used after an officer is elected and falls of his duty.
